## solutions

COMMISSION DIRECTIVE (EU) 2016/882  
of 1 June 2016  
amending Directive 2007/59/EC of the European Parliament and of the Council as regards language requirements  
(Text with EEA relevance)

How can we contribute?

# Coordination of Infrastructure works

- Common issue of IPI WG & SG International Freight!
- Next steps and progress on the issue must be harmonised between IPI WG, SG International Freight, CEO TF and RNE.
- First Joint WebCo took place on 28.09.2016:
  - IPI WG, SGIF, CEO TF & RNE
  - Common support of TTR project with RNE
  - Regular exchange of information by joint meeting/webco of RNE, SGIF, IPI WG & CEO TF agreed
- Presentation of the topic to the sub-(expert) group on timetabling (Brussels, Oct. 7<sup>th</sup>) by Chair of SGIF

# ERTMS EDP & Study on Business Case

## information by EC

- status on the deployment plan by Judit Bertrand
- presentation of results of ERTMS Business Case study by Judit Sandor & Ian Conlon

## action

- position on major concerns on RU-side delivered as SGIF
- active participation in workshop on BC study
- agreement on continuation of contribution to the BC for realistic results

# Next Steps

- Discussion and wrap-up of the RU D plenary meeting, Oct. 27th
- Information on the ERTMS Business Case Workshop Oct. 20th
- Way forward with KPI's
- TTR project & expert group on timetabling
- Convention of IMs/ABs and RUs: Mutually-agreed principles for planning international rail freight
- Next meeting:  
**October 28th 2016, 10:30 – 5:00pm, CER premises, Brussels**
